## BIOGRAPHIES

### The BuyCostumes.TV Queens of Halloween

In this day and age, it seems like we have to be all things at once: professional worker, mom, wife, and let's not forget Halloween creative genius. That's why, when BuyCostumes.com found Teri and Jennifer to host BuyCostumes.TV, they couldn't believe their luck. These ladies don't disappoint, and they're the perfect Queens of Halloween.

#### **Teri, Queen of Halloween**

Co-Host of BuyCostumes.TV  
Super Mom

Teri, an entertainment industry veteran with more than 20 years of experience singing, dancing and acting, is no stranger to the power of costume and the allure of fashion. That's why this proud mother of eight-month-old son Tyler, loves her gig as Co-Host of BuyCostumes.TV. Narrating runway fashion shows, talking about costumes, commenting on materials and trends—that's all in a day's work. If you need to know what's hot this Halloween, Teri's your go-to gal.

When she's not talking about Halloween from the side of the catwalk, Teri enjoys playing with her son, walking her two Italian Greyhounds (Sophia and Lucci), taking family camping trips, traveling with her husband, waterskiing, and playing piano.

#### **Jennifer, Queen of Halloween**

Co-Host of BuyCostumes.TV  
Super Mom

Jennifer's career in the entertainment business started early in life. As she tells it, her first live solo dance performance was a rendition of Lionel Ritchie's "All Night Long" in the living room of her family's Los Angeles home. From that point forward, she was passionate about performing live. She moved to the Midwest years later to pursue a career in broadcast journalism...until kids Woodie (age 4) and Sam (age 3) came along.

Since then, she's perfected a fine balance between hosting BuyCostumes.TV, taking modeling gigs, shooting commercials, and being a professional mom. She and her husband, Matt, are schooled daily on things they never imagined they'd learn (wildebeests, tamarins, and every species of bird, for starters) thanks to their sons' creative interests. And when people ask her if it's been hard raising two boys who are so close in age while Dad and Mom both work, she quickly answers, "No way! It's live drama, and I couldn't live without it."
